

Come along on Tuesdays and bring your knitting, crochet, painting, decoupage, weaving, jewellery, sewing, embroidery, leatherwork, clay, macrame ... whatever it is you like to do ... and enjoy some company in a welcoming and supportive space.

Share ideas, learn new things together, make new connections. You will have the option to exhibit and sell your creations at pop-up shops and market days down the track.

## ALL WOMEN WELCOME, FEEL FREE TO BRING A SISTER
